“It’s a Beautiful Day in the Neighborhood” is the theme for our 50th Tour of Homes.

Homes will feature varying styles of architecture and interiors, with some homes a work in progress. Come see what our owners have done, get some ideas, and enjoy the marvelous features each site has to offer.

Tours are self-guided. Participants will go at their own pace.

Tickets for adults are \$15 in advance and \$20 tour weekend. Tickets for students 5-18 are \$6. Tickets can be purchased online at www.fairfieldheritage.org, by calling 740-654-9923. Tickets may be also be purchased at the Sherman House and Georgian museums, at Fairfield National Bank Downtown, 143 W. Main St. in Lancaster, and at the FNB branch at Meijer, 2900 Columbus-Lancaster Rd.

During tour weekend, tickets will also be available at Rise Realty, 355 E. Main St., and at Keller Market House, 134 S. Columbus, as well as near the tour houses on North Broad and East Mulberry.

The tour is a vital fundraiser for the Fairfield County Heritage Association, a nonprofit organization that owns the Sherman House and Georgian museums; champions preservation and revitalization; and provides educational programming. Its mission is to connect all people to the rich history of Fairfield County.
